

# WHEN DISASTER OR EMERGENCY COMES, WILL YOU KNOW??

**(Please read this important notice from The City of Malibu about a new  
emergency notification program.)**

---

Fire, earthquakes, slides and other disasters are nothing new to our area.

To help assure local residents are given life-saving notification in emergencies, local governments are partnering in a new, state-of-the-art emergency notification system – the Community Alert Network (CAN).

CAN is a computerized phone system designed to deliver emergency messages to residents in specified local areas. Using CAN, local government agencies can reach up to 6000 numbers in less than an hour, giving specific, detailed emergency information such as impact areas, recommended response measures, and even evacuation routes. The system is capable of leaving voice mail and answering-machine messages, and also can redial if there is no answer or a busy signal.

The CAN system will cover the following areas of Los Angeles County:

Agoura Hills	Calabasas	Hidden Hills	Malibu
Westlake Village	Malibou Lake	Monte Nido	Topanga

There is no charge for you to participate in this service. Phone numbers listed in the telephone directory already have been entered into the CAN system. Cell phone numbers and unlisted phone numbers, however, must be added individually.

To become part of the CAN alert network if you have a cell phone or if your address is not included in your local phone listing, you must provide the necessary information. ALL information on the form below must be provided to complete your record.

By contract, Community Alert Network cannot and will not release this information for any purpose other than emergency calls. To assure that your private information does not reach other parties, print out the form below and mail or fax it directly to CAN. The earlier you submit your information, the sooner your number will be available for notification. (If you have already provided this information, please do not send duplicates.)

---

Yes. I have a cell phone / unlisted number or a telephone listing without street address.  
I would like to be added to the Community Alert Network.
